## ALL OTHER REMEDIES

All other remedies for kidney troubles merely flush the kidneys. They merely wash them out. The causes of the foul conditions existcauses of the foul conditions existing in the kidneys and urinary
organs and, as a result, in the blood
itself, are not removed. After the
flushing the same conditions recur,
SANURY is different.
SANURY possesses wonderful
germicidal properties which combat
the causes of disease and eradicate
them.

When taking Sanury, drink plenty of water. Sanury will direct the water to the kidneys and the kidneys will be flushed. But the flushing of the kidneys is the least that Sanury does. Sanury cures the disease; cures it effectually, so that it don't

Near Port Homer, O., there was a cloudburst in the headwaters of a little stream that passes under the railroad half a mile from the station. The boy was walking along the track and saw the wall of water tear out the culvert, leaving a gap of two rail lengths in the roadbed. The youthful observer realized the danger at a glance. Running home, he tore a section off a red skirt his sister owned and returned to the washout barely in time to flag the fast express train. Then he disappeared. Information of the occurrence was given to the railroad College, Cor. Adams and 15th, Toledo, Octobernis by the passengers and tenin English Business and Farthand course.
